Re: DOE v. The National Ramah Commissions, Inc. et al.
Case No. 1:22-cv-03621

Dear Judge Carter:

We represent Defendants The National Ramah Commissions, Inc. and Camp Ramah in the above matter (pro hac vice admission pending). The parties, including Defendant Rabbi Ethan Linden and Plaintiff, write to jointly request a referral to Magistrate Judge Cott for a settlement conference. The parties have identified a mutually agreeable date that we understand is available on Magistrate Judge Cott's calendar. In conjunction with this request, the parties are requesting an extension of time from June 30, 2022 until and through August 31, 2022 for the Defendants to answer, move or otherwise respond to Plaintiff's Complaint. The parties are diligently working towards a potential resolution to this matter and would appreciate the additional time.

This is the parties' first request for an extension of time.

Thank you for your attention.

Very truly yours,

JACKSON LEWIS P.C.

/s/ Paul V. Kelly
